***If you prefer to volunteer your time and/or talents please contact us.** Volunteers are encouraged to participate in every area of production. Backstage activities are offered at all skill levels and include: sewing, scenic painting, carpentry, prop gathering, sound and lighting operation. Front of house activities include: office help, coffee bar workers, house managers and ushers. We need stage managers and crew for every show that we produce. Volunteers are also needed to serve on various committees and to assist with marketing and fundraising.*

Your generous support makes possible the stability, growth and development of the Vagabond Players - one of the oldest, continually running theatre companies in British Columbia. It helps us to fulfill our goal of producing high quality theatre, hands-on learning in all aspects of production and management, and a variety of opportunities for educational experiences relating to the performing arts. Your gift helps our theatre company survive, flourish, and dream.
